

Free Race Entry Opportunities for Volunteers

For points accrued between December 1, 2021 - November 30, 2022 for use between
December 1, 2022 - November 30, 2023

Please see our other posted documents on cmsrun.org for more information on our Volunteer Points System.

To use your volunteer points, you must be a current CMS member in good standing. If you have successfully applied for and registered with an invitational Boston Marathon number from CMS for the April 2023 marathon you have used your points in full. To confirm your remaining volunteer point total, please contact our Liaison at cmsvounteerpoints@gmail.com, the Liaison is also the contact for ironing out any potential discrepancies in your total before you use your points.

How to Apply:

- **You must submit your mail-in application to CMS at least 10 days prior to race day.** Late applications will not be accepted. Day of Registration will not be available.
- You must indicate on your application that you wish to use your volunteer points in lieu of payment.
- If you cannot run the race after your registration has been submitted, your points have been used and will not be restored to you for a Did Not Start.
- Volunteer Points are non-transferable, and race entries gained from Volunteer Points are also non-transferable.

The following races are included in our Free Race Entry program for CMS volunteers. Races in which the total net proceeds are donated to charity have been excluded from this program.
